- (a) City does hereby engage Auditor as a certified public accountant to audit its financial statements for the three fiscal years ending June 30, 2008, 2009 and 2010. These audits are to be performed in accordance with the provisions set forth in the City's Request for Proposals attached herewith as Exhibit A and with the Proposal prepared by the Auditor, attached herewith as Exhibit B.
- (b) Auditor will perform the audit in accordance with generally accepted auditing standards and will include tests of the accounting records of the City and other procedures Auditor considers necessary to enable Auditor to express an unqualified opinion that the financial statements are fairly presented, in all material respects, in conformity with generally accepted accounting principles. Auditor will provide City every reasonable opportunity to resolve accounting or other issues to the satisfaction of both the City and the Auditor prior to any decision to issue an opinion that is other than unqualified.
- (c) Auditor's procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, creditors, and financial institutions. City understands that it will be asked to provide certain written representations from its attorneys and certain other written representations about the financial statements and related matters.
- (d) Auditor will examine, on a test basis, evidence supporting the amounts and disclosures in the financial statements and will use their professional judgement about the number of transactions to be examined and the areas to be tested. Auditor will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. Auditor is not required to perform a detailed examination of all transactions. Auditor and City understand that there is a risk that material errors, irregularities, or illegal acts, including fraud or defalcation, may exist and not be detected by the Auditor. Auditor's responsibility is limited to the period covered by its audit and does not extend to matters that might arise during any later periods for which the Auditor is not engaged to audit the City's financial statements.
- (e) Auditor will advise City about appropriate accounting principles and their application. City and Auditor understand that the audit is not specifically designed and cannot be relied on to disclose significant deficiencies in the design or operation of the internal control structure. If, during the course of the audit, Auditor becomes aware of such deficiencies or ways in which management practices can be improved, Auditor will advise City in writing.
- (f) Auditor shall complete the services for each fiscal year as set forth in the City's Request for Proposals and the Proposal prepared by the Auditor, attached hereto as Exhibits "A" and "B".
- (g) Auditor shall perform those services and scope of work as more particularly set forth in the City's Request for Proposals, attached hereto as Exhibit "A" and made a part hereof.

(h) In the event of a discrepancy between this Agreement and Exhibits "A" and "B", the following order of priority shall be followed: This Agreement shall control over Exhibits "A" and "B"; and Exhibit "A" shall control over Exhibit "B".

ARTICLE TWO RIGHTS AND DUTIES OF CITY OF DOUGLAS

(a) City will provide Auditor with the basic information required for the audit and will remain responsible for the accuracy and completeness of that information. The City is responsible for the financial statements and the maintenance of adequate records and related internal control structure policies and procedures, the selection and application of accounting principles and the safeguarding of assets.

The preparation of confirmations shall be the responsibility of the City. The Auditors shall prepare the Comprehensive Annual Financial Report, Schedule of Federal Financial Assistance and Expenditure Limitation Report. Report preparation, editing and printing shall be the responsibility of the Auditor.

(c) Identifying and ensuring that the City of Douglas complies with laws, regulations, contracts, and agreements, including grant agreements, is the responsibility of City management. Although the Auditor will perform tests of the City's compliance with applicable laws and regulations the objective of the audit will not be to provide an opinion on overall compliance and the Auditor will not express such an opinion.

(d) City shall provide Auditor with reasonable workspace, desks, chairs and telephones.

City and Auditor agree that the amounts indicated herein are all-inclusive and no additional payments will be made for out-of-pocket costs incurred. Payment of the total amount provided for in this Article based upon monthly billings shall not relieve Auditor of their obligation to complete the performance of all those services specified in Article One.

ARTICLE FIVE TERMINATION OF AGREEMENT

The Agreement may be terminated by the City, with or without cause, by giving sixty (60) days written notice. This Agreement may be terminated by the Auditor if the Auditor's independence has changed or if the Auditor believes the engagement poses a significant risk of fraud and the Auditor is not satisfied with the diligence and cooperation from management in investigating the circumstances. In the event of termination, Auditor shall be

entitled to only that proportionate amount of audit fee actually earned based upon the hours of work completed prior to date of termination, but not to exceed the annual cap as set forth in Article Four.

ARTICLE SIX HOLD HARMLESS

Auditor Agrees to save and hold harmless the City, and any of its departments, agencies, officers or employees from all cost, damage and liability caused by an activity, condition or event arising out of the negligent performance or nonperformance of any provision of this agreement by Auditor, its agents or independent subcontractors. The above cost incurred by the City or any of its departments, agencies, employees or officers shall include, in the event of legal action, court costs and expenses of litigation.

ARTICLE SEVEN MODIFICATIONS IN WRITING

This Agreement represents the entire and integrated Agreement between the City and the Auditor and supersedes all prior negotiations, representations, or agreements, either written or oral. This Agreement may be amended only by written instrument signed by both the City and the Auditor. Written and signed amendments shall automatically become part of the Agreement, and shall supersede any inconsistent provision therein; provided, however, that any apparent inconsistency shall be resolved, if possible, by construing the provisions as mutually complementary and supplementary.
